### Privacy Statement

Eastern Suburbs Photographic Society (the society) will collect personal details from its member to be included in the society's member register. Any information collected is for the use of the society in its administration and not for distribution to external third parties.

Members also undertake to warrant any entries in any competition as their own work to which they have full and exclusive copyright. In addition members will allow the society usage of any images so entered in any competition for the purpose of education and promotion of the society and it's members.

Do you understand and agree to Privacy Statement detailed above?
